

FLUENCY STATION

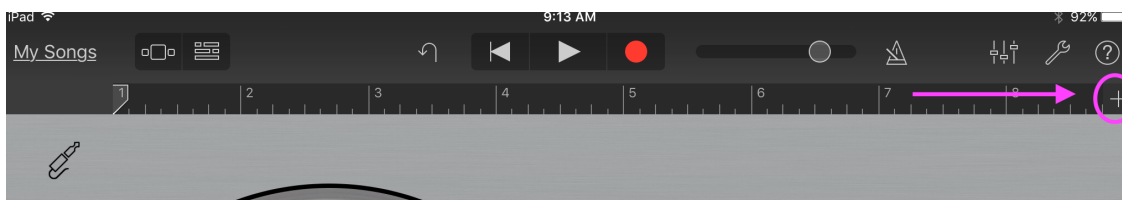

I CAN:

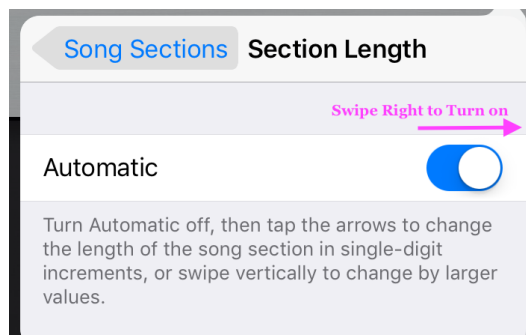

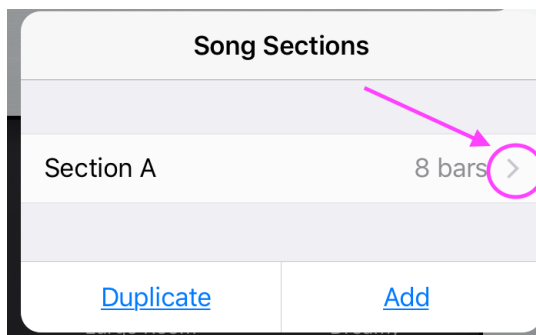

1. Choose a book from your book bin.
2. Go to the GarageBand App
3. Create a new Track
4. Select Audio Recorder
5. Choose Small Room setting
6. Then Tap the blue triangle metronome button at the top right to turn it off.

7. Then tap the small white plus sign on the far right side of the number line.

8. Tap on the arrow by Section A 8 Bars > and turn on Automatic.

9. Tap the red, circle record button. Record until the red strip dos to the number 35.
10. Press the play button to listen to your reading.
11. Fill out the fluency Evaluation sheet and pick a goal for your next reading.
12. Tap on My Songs and create a new recording. Read again and concentrate on your goal. Did you improve?
13. Tap on My Songs in Upper left.
14. Then top on the TITLE of the record you just completed. Rename with your first and last name as well as todays date. "John David November 12" Tap Done.
15. Now tap select in upper right. Choose your example. Tap the export symbol. Select Mail. Email to your teacher.
